Visual Communication for Trade Shows and Events

“ *Making visible that
which cannot be seen by
the naked eye* ”

Visualising helps us to imagine the future and choose the best alternative. Experience and creativity are key factors used to embody complex ideas and concepts in architecture.

We know Trade Shows

✓ 15 years in trade shows

With over 1,500 projects undertaken over 15 years, Vissual events offers you the necessary know-how to deal with any type of project smoothly.

✓ A comprehensive service

Our range of services aims to cover your company's broad spectrum of needs when participating in a trade show or event. Enjoy the peace of mind of a single interlocutor to organise, assemble, oversee and gauge the results of your presence at the trade show.

✓ Less is more

Our working philosophy is to offer full-time commitment to every one of our customers. Our scale is directly proportional to the volume of projects which allows us to offer a quality service.

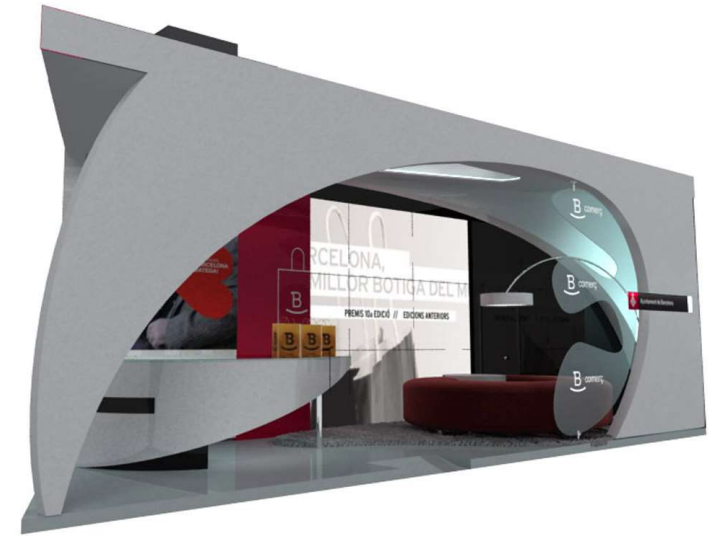

✓ International assembly

We will set up your stand anywhere around the world. We have a wide network of partners which makes it easy for us to assemble stands in almost any exhibition site around the world.

Trade Show Architecture

We can offer you turnkey Stands which will not go unnoticed by your visitors. Stand out with an outstanding creative stand at a price adapted to your needs.

Striking designs to meet your budget

Handmade Stands

We create effective, memorable and functional homemade stands, which embody the latest design trends and new materials within a unique architectural design.

Large-Scale Projects

We are experts at large infrastructures. We have the necessary experience for logistical oversight of large-scale assembly both indoors and outdoors.

Modular Stands

Who said modular was boring? We create dynamic modular projects that stand out from the crowd thanks to the careful emplacement of the profiles to avoid the typical visual overload from aluminium.

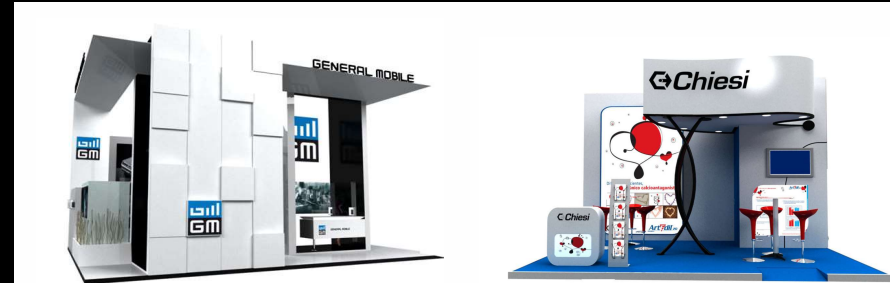

International assembly

We will set up your stand anywhere around the world. We have a wide network of partners which makes it easy for us to build in almost any exhibition site in Europe or around the world.

Event Solutions

We have a wide range of solutions which will put you at your ease, with a single interlocutor to manage all your needs. Discover how simple and easy it can be to organise events or participate in trade shows by contracting our services.

Comprehensive service for a successful event

Furniture Rental

In addition to being attractive and modern, the furniture must adapt to your needs. We have an extensive catalogue and advice to give so your furnishings provide the comfortable area you wanted.

Portable Stands / Banners

We offer the best and quickest tool-free stand assembly systems. We have a large catalogue of roll-up banners, displays, pop-ups, photo-calls and all kinds of fold-out stands.

Graphic Services

Trade show graphics require having the resources to print and position in record time without compromising on quality. We do large-format printing on multiple graphic platforms.

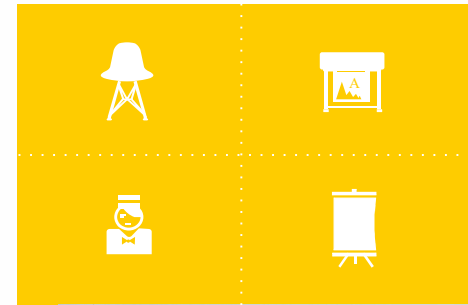

Hostess Service

We manage the hiring and selecting of hosts and hostesses for your stand. We offer punctuality, seriousness, competence, presence and management capability.
